

Universal Swingout Arm

The AM2 Universal Swingout Arm fits 17"-40" displays and allows 360° screen rotation. Features include VESA 75/100/200x100mm compatibility.

This revolutionary design features our patented Radial Glide Technology™ which offers smooth tilt adjustment of +/-15°. You can pull your LCD/Plasma up to 17" from the wall and push it back to just under 3.5" off the wall when collapsed. All of your cables can be hidden inside our innovative cable management ports. Plus, it's backed by our industry-leading Lifetime Guarantee.
