## Protege Series Subwoofers

## Remarkable Sound Quality at a Remarkable Price

Experience our complete line of multi-purpose subwoofers available in sizes from 8"-15" to satisfy your bass desires.

- Four Heart-Pounding Sizes to Fit Any Size Room
- Triple Driver Configuration Single Active with Dual Passive
- Beautiful, Matte Black Finish Cabinet
- Built-In 5v USB with Integrated Mount to Support Wireless Audio
- Exclusive Class-D Amplifier Design

The legacy of innovation and technology from our Sunfire® Subwoofers lives on in the new Proficient® Protege Subwoofer Series. This new line of Subwoofers focuses on compact power and premium performance, we packed a lot into a small box that can only truly be felt in real life. No sound system is complete without a Subwoofer delivering the booms of an action movie, the rich tones of a jazz solo, and the acoustics of a concert hall. Adding a Proficient Protege Series Subwoofer to a home theater or media room will transform any listening experience.

## FEATURES

- **Compatibility** – With four subwoofer sizes to choose from, the new line of Proficient® Protege Subwoofers has the perfect fit for any installation.
- **Powerful** - Triple drivers for deep bass. Each subwoofer model features one active driver paired with dual passive radiators.
- **Style** - The matte black finish will complement any room or setting.
- **Compact** – With the included passive radiator design we were able to maintain a smaller profile allowing these subwoofers to be hidden away.
- **Flexibility** – With the optional wireless audio kit you can place these subwoofers anywhere in a room to create an immersive listening experience.
